How Chaplains & Chaplain Assistants Can Serve You . . .

How We Can Help

1. Emotionally

Much of what a chaplain does is COUNSELING . . . Strengthening Hearts & Minds. Unit Chaplains counsel daily, and here at Yongsan, you have the added advantage of the clinically trained Chaplain Family Life Center for professional pastoral care. Any venue with a chaplain offers you complete confidentiality — what you say with us stays with us. Your communication is privileged.

2. Relationally

Another area in which Unit Ministry Teams add value to you is RETREATS . . . Bonding You To Your Loved Ones. The Strong Bonds Retreat Program is the premier relational resiliency tool for the Army. Designed for Singles, Couples, Families, and even Spouses of Deployed Soldiers, this program provides fun, relevant relational tools at 5-Star venues intended to honor you and inspire you!

3. Spiritually

Of course, chaplains are ministers in uniform. We are completely comfortable discussing and leveraging the benefits of your Faith to help you. The main venues for you are RELIGIOUS SERVICES, STUDIES, & GATHERINGS. We're also comfortable serving those who don't identify religiously but simply need care and concern — we're here to help you!
